Dear Colleague,

On behalf of the Florida Public Health Association (FPHA), I would like to invite you to participate as an exhibitor and/or sponsor at the *2017 FPFA Annual Educational Conference*. The Conference will take place July 26-28, 2017 at the Florida Hotel and Conference Center, Orlando, Florida. The theme for the Conference this year is "*The Power of Collaboration*". Your company is a part of the collaboration group needed to improve the health of our Florida citizens.

Joining us will give your company a forum to share information about your products and programs with public health professionals from all over Florida. Exhibitors, this year, we will once again include a Passport card in each attendee registration packet. You will have your own square, with your company/program name. Attendees will be encouraged to stop by your table, listen to your 30-Second Program Pitch, and then have you initial your bingo square. Attendees who complete their card will be entered in to a drawing for a special prize.

Enclosed is the Exhibitor Contract that gives information on the meeting, exhibit details, fees and other sponsorship opportunities. If you cannot be present as an exhibitor, we hope you will consider one of the other opportunities to support the 2017 Florida Public Health Association Annual Education Conference with a sponsorship.

Your company is a valuable partner and resource for public health professionals, so we hope you will be able to join us this year. FPFA is honored to be hosting this annual conference and we know with you participating, it will be another exciting meeting. If you have questions or need more information, you can contact Sandy Magyar, Exhibits Co-Chair at 904-860-9208 or magyarsf@bellsouth.net
